

Our Environment : Our Future | Privacy statement for surveys

Here is the specific privacy statement for the EEA campaign “Our Environment : Our Future”.

The personal data you provide in the submission form for the EEA campaign “Our Environment : Our Future” is processed in accordance with regulation (EU) 2018/1725 of the European Parliament and of the Council of 23 October 2018 on the protection of natural persons with regard to the processing of personal data by the Union institutions, bodies, offices and agencies and on the free movement of such data. Your contact details (address and e-mail address) will however not be shared with third parties, such as members of the media, unless the EEA obtains your prior explicit and written agreement.

The only personal data collected and further processed is the information you encode yourself in the submission form. EUSurvey records respondents' email addresses and names in backend logs and deletes them after 2 years of inactivity of the survey.

Personal data is provided via a submission form available online via EUSurvey (a service provided by the European Commission – DG DIGIT). the form which is then stored in a database. All personal data is processed manually for the purpose of the management of the campaign.

5. Right of access and rectification

You have no direct access to the data stored. If you wish to modify or delete any of your personal data, you should address your request in writing via our [online form](#).

Only aggregated and anonymous personal data is processed and kept for statistical purposes after that date.
